

David Campkin

The DNPA Guided Walks Programme.

And for people who perhaps feel less confident or are new to Dartmoor we put on a programme of guided walks, and there's something in that programme for everyone, whether you're new to walking or have perhaps got children and they'd like to do a children's activity we have quite a wide range of things for people to do, even for the more experienced walkers we do six hour walks so, there's pretty much something for everyone to enjoy within the walks programme.
